The CACTUS LED table lamp is a real decorative highlight and puts you in a good mood at the same time. Thanks to its cool design, the light is not only ideal for the living area, but also as decoration in bars, bedrooms or offices. The 30 cm high and 15 cm wide light has an on/off switch and is operated via a USB connection cable. Thanks to the white plastic design, the light is optimally reflected and the luminaire blends easily into any interior style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
