

Wall lamp

RAY – 283110232

incl. 2x SMD, 4W · 2x 340lm, 3000K

- **Up and Down lighting**
- **Wallmounting**
- **IP44**
- **Not dimmable**

The RAY wall light impresses with its modern design combined with simple elegance. Thanks to its IP44 protection rating, the wall light is protected against splashing water and can be easily installed in the bathroom. Thanks to the up & down lighting, the light is emitted intensively upwards and downwards, creating a harmonious play of light. This means that the light provides optimum lighting conditions when positioned on both sides of the mirror. The combination of matt black and white glass blends in perfectly with various bathroom concepts and creates a feel-good ambience. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.

Material construction

Plastic · Black mat
Plastic · White

Product dimensions

Width: 5cm
Height: 16cm
Weight: 0,2kg

Technical data

Light source: SMD – LED (integrated)
Watt: 4W
Lumen: 2x 340lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP44

Dealer information

EAN Code: 4017807508024
Customs number: 94051190900

Packaging dimensions & weight

Quantities: 1

Width: 10cm
Height: 19cm
Depth: 8cm
Weight: 0,4kg
