

BNR 40565

Hand hygiene with a design concept: the satin glass pump dispenser with holder in urban matt black is an accessory for modern bathrooms. Whether industrial style, Scandinavian style or the neutral styled bathroom - thanks to tesa® mounting technology, the dispenser holds securely to the wall. It can be mounted cleanly, conveniently, and without drilling. If the holder needs to be removed again, no traces remain. The dispenser can hold up to 200 ml liquid soap and is refillable, which makes it a sustainable solution. With the matching BK20 adapter, it can be mounted again at any time.

Features

- Easy and clean installation without drilling thanks to the convenient all-in-one adhesive solution with tesa® Power.Kit technology
- Holder includes satin-finish soap dispenser with pumping device
- Industrial style design trend: The perfect accessory for bathrooms with an industrial style design
- The ideal accessory for colour concepts in black and white - can be combined in one colour or as a contrast
- An eye-catcher for modern bathroom ambiences and for neutral design concepts
- Can be appreciated in many different ways: Industrial style, vintage look, retro look, modern and also great for bathrooms with loft character.
- Our tip: An attractive must have for bathrooms in Scandinavian style
- For unconventional combinations: Straightforward in design as well as a great accent for classic or romantic style inspired bathrooms
- tesa® MOON BLACK soap dispenser, matt black powder-coated metal
- Harmoniously rounded, organic design, round wall plate
- Adheres to glazed tiles, metal, natural stone, marble, concrete, glass, wood and many plastics
- The adhesive included in the scope of delivery must cure for 12 hours
- Easy to install, leaves no drill holes, can be removed again without damaging the surface - therefore also a good solution for rented flats.
- Reusable after removal with a new mounting adapter BK20 - the matching adapter is also available separately.
- Not suitable for plaster, wallpaper, wall textiles and plastics such as PP, PE and PTFE.
- Dimensions: 171 mm x 70 mm x 119 mm, soap dispenser with 200 ml capacity.

Technical Data

Application

Mounting

1. Clean the surface
2. Peel off the protective film of the adapter
3. Attach the adapter to the wall
4. Fill in the glue with the glue applicator
5. Allow to cure for 12 hours
6. Mount the accessory on the adapter with the help of an Allen key

Disassembly

1. Disassemble the accessory from the adapter
2. Turn off the adapter with a pipe wrench
3. If necessary, remove adhesive residues with a glass scraper
