Dirt Water Pump

GE-DP 7935 N-A ECO

Item No.: 4171460

Ident No.: 21030

Bar Code: 4006825622287

The Einhell GE-DP 7935 N-A ECO dirty water pump features Eco Power and a 790 W power rating to achieve a higher delivery rate for lower power consumption. The max. delivery rate is 19,000 l/h and the max. delivery height nine meters. It is designed for foreign bodies up to 35 mm in size. Thanks to Aqua Sensor technology the pump can operate with 3 auto sensor starting heights or be used for continuous operation. The pump is of slimline design thanks to the integrated aqua sensor and can therefore be used in tight shafts as well. A high-quality mechanical seal contributes to a long service life. The housing, which has a stainless steel shell, is made of impact-resistant plastic. The hose connection is easily accessible on top of the pump.

Features & Benefits

- Aqua sensor with three automatic sensor starting heights
- Permanent mode
- ECO Power: higher delivery rate, lower power consumption
- Ergonomic carrying handle
- High-quality mech. seal for a long service life
- Easily reachable hose connection on the pump's topside
- Cable rewind
- Integrated suspension eyelet
- Housing made of impact-resistant plastic & stainless steel shell
- Incl. universal connector
- Non-return valve

Technical Data

- Mains supply	230 V 50 Hz
- Power	790 W
- Max. delivery capacity	19000 L/h
- Max. delivery height	9 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Max. size of foreign particles	35 mm
- Hose connection	47,8mm (G11/2 AG)
- Power cord	10 m H07RN-F

Logistic Data

- Product weight	6.19 kg
- Gross weight single packaging	8.35 kg
- Dimensions single packaging	260 x 250 x 450 mm
- Pieces per export carton	2 Pieces
- Gross weight export carton	17.82 kg
- Dimensions export carton	520 x 280 x 460 mm
- Container quantity (20"/40"/40"HC)	880 1800 0
