

Table lamp

MARTIN – R50371025

excl. 1x E14 · max. 40W

- **Cable switch**
- **Lamp(s) not included**

The stylish MARTIN table lamp comes into its own in any application and complements living and sleeping areas as a decorative accent light. The ceramic lamp also has a cord switch, which makes it easy to use. The table lamp is 29 cm high and the fabric shade has a diameter of 20 cm. The cappuccino-coloured ceramic base with white fabric shade not only creates a cosy ambience but also adds a modern touch. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
