The FLAMINGO LED table lamp is a real decorative highlight and puts you in a good mood at the same time. Thanks to its cool design, the light is not only ideal for the living area, but also as decoration in bars, bedrooms or offices. The 33 cm high and 15 cm wide light has an on/off switch and is operated via a USB connection cable. Thanks to the white plastic design, the light is optimally reflected and the luminaire blends easily into any interior style. The permanently installed SMD LEDs feature modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
