The LED table lamp BRONTO is a real decoration highlight. Due to the cool dinosaur design, the luminaire is not only suitable for the living area. In children's rooms or bars, it is also ideal as a decorative eye-catcher that spreads good humour. The light has an on/off switch and is operated via a USB connection cable. Thanks to the white plastic design, the light is optimally reflected and the luminaire blends easily into any interior style. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment. ☒
