The ENZO impresses with its minimalist and discreet design and skilfully sets the scene for your interior design. Pendant lights are ideal for optimally illuminating certain areas. Whether in the kitchen or living area, the modern light is versatile and can be easily combined with different furnishing styles. The round pendant light looks wonderful above a round dining table or you can place several lights in a line above an elongated dining table or kitchen counter. The pendant light is designed in matt black and can stylishly complement modern colour concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
