With its combination of natural materials, the single-flame RIKE pendant light reflects the popular boho living trend. The lampshade made of trendy woven rattan brings cosiness and lightness and creates special lighting and decorative accents in your living area. The modern design in natural rattan wickerwork makes the light an eye-catcher in your living area and blends in perfectly with your interior style. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
