The NOLA table lamp has a purist and classically inspired shape that is sure to impress. The modern, mushroom-shaped design blends seamlessly into your interior and creates harmony in your living space on a chest of drawers or bedside table. The light can also be easily switched on and off using a cord switch. Thanks to its modern design in matt white and its versatility, the light can be used anywhere in the home. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
