

Table lamp

LENNON – R52176183

incl. 1x SMD LED, 2W · 1x 180lm, 3000K

- **4 level Touch function**
- **Rechargeable battery operated**
- **IP44**
- **Recharging USB-C connection**

The puristically designed LENNON table lamp is ideally suited for both indoor and outdoor use. Thanks to being battery operated, the small light can be flexibly taken to any garden party. The mobile light can be easily charged via a USB-C connection. In addition, the table lamp has a 4-fold touch, so that the light intensity and thus the mood of the ambience can be determined individually. Due to the IP44 classification, the luminaire is protected against splashing water and therefore also suitable for outdoor use. The simple and reduced design in mushroom shape makes the table lamp in Illuminate Yellow an unobtrusive decorative element that is particularly adaptable. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment. ☒

Material construction

Plastic · Illuminate yellow

Product dimensions

Height: 21cm
Diameter: 13cm
Weight: 0,4kg

Technical data

Light source: SMD – LED (integrated)
Watt: 2W
Lumen: 1x 180lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 35000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 3
IP classification: IP44
