The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed luminaires, stylish accents can be set and an atmospheric ambience created. The AURA recessed spotlight offers general lighting paired with separately switchable effect lighting. The side light strip provides brilliant lighting accents and easily realises various lighting effects. The luminaire in matt white can be combined with many living styles and ambiances. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
