

Recessed lighting

ARGUS – 653610131

incl. 1x SMD, 4W · 1x 350lm, 3000K

incl. 1x SMD, 1W · 1x 0lm,

- Separately switchable
- Remote control
- Integrated dimmer
- Not suitable for external dimmer
- Wall- & ceiling mounting
- RGBW Colorchanging
- Memory function
- IP20

Sometimes there are design moments within your own four walls when all you need is the radiance of pure light without the visual appearance of a luminaire. This moment is the hour of the ARGUS recessed luminaire. The discreet luminaire fits easily into the ceiling or wall in all kinds of rooms and effectively emphasises the luminosity of its two light sources. The remote control included in the scope of delivery enables the two light sources to be switched separately and the brightness to be dimmed remotely. An integrated RGB colour changer adjusts the light colour of the outer illuminated surface to suit your requirements and gives your home a colourful and unique glow! The luminaire in matt white can be combined with many interior styles. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Plastic · White mat

Product dimensions

Height: 4cm

Diameter: 8cm

Weight: 0,1kg

Technical data

Light source: SMD – LED (integrated)

Watt: 4W

Lumen: 1x 350lm

Kelvin: 3000K

Color rendering (CRI): > 80 CRI

Lifetime: 20000H

Switching cycles: 10000x ON/OFF

operating voltage: 230V ~ 50Hz

Protection grade: 2

IP classification: IP20
