

Recessed lighting

PAMIR – 650510131

incl. 1x SMD, 5,5W · 1x 345lm, 3000K

- **Externally dimmable**
- **Sleuable**
- **Ceiling mounting**
- **IP23**

The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed luminaires, you can set stylish accents and create an atmospheric ambience. The recessed luminaires in the PAMIR range are ideal for targeted and effective lighting of your living spaces. The recessed luminaire in a classic reflector design can be swivelled and emits directional light with a beam angle of 36. The recessed luminaire can also be dimmed externally so that the brightness can be individually selected. Thanks to IP23 protection, the PAMIR recessed luminaire can be used in kitchens or covered entrance areas without any problems. The round PAMIR recessed light has a diameter of 85mm and requires a ceiling cut-out of 72mm and an installation depth of at least 68mm. No additional transformer is required for the installation and linking of several recessed luminaires. The matt white colour scheme leaves plenty of scope for combining with existing interiors and colours. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · White mat

Product dimensions

Height: 5cm
Diameter: 8cm
mounting depth: 6,8cm
ceiling cut-out: 7,2cm
Weight: 0,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 5,5W
Lumen: 1x 345lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 20000H
Switching cycles: 15000x ON/OFF
