Good Mood Light - the AUREO ceiling light provides cosy light and pure harmony in your living space! The AUREO is characterised by its indirect light distribution and allows you to individually set soft, tasteful colours. This creates a cosy lighting atmosphere that has a grounding effect and positively influences our everyday lives. The remote control supplied allows you to adjust the brightness and light colour to suit your needs without having to leave your favourite spot in the living room or bedroom. The night light function rounds off the overall experience of the light. This creates a relaxed and cosy living atmosphere that gives you strength and peace! The matt black colour of the plastic and the geometric shape emphasise the understated yet effective lighting flair of the AUREO. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, produce less heat and protect the environment.
