

Wall lamp

## ROYA – 204260242

excl. 2x GU10 · max. 35W

- Up and Down lighting
- Wallmounting
- IP44
- Lamp(s) not included

Are you looking for a timeless and minimalist designed outdoor lamp? How about the wall lamp ROYA? Thanks to the light emission upwards and downwards, it is the perfect choice for an effective lighting on the terrace, on the house facade or in the entrance area. The light source not only provides a natural and atmospheric light diffusion, but also provides safety when darkness falls. With IP44 protection, the wall lamp is protected against splashing water and therefore suitable for outdoor use. Thanks to the anthracite colour scheme, the light can be combined in a variety of ways. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
