

Wall lamp

## DAWSON – 246360142

incl. 1x SMD, 7W · 1x 800lm, 2300+3000+4000K

- **Adjustable light color**
- **Up and Down lighting**
- **Wallmounting**
- **Not suitable for external dimmer**
- **IP54**
- **Colours directly adjustable at the lamp**

The wall lights in the DAWSON series are particularly popular due to their up & down lighting, which emits light upwards and downwards and creates impressive lighting effects on building façades. The IP54 protection class guarantees protection against dust deposits inside and splashing water on all sides, which means that the wall light can also be used in damp environments. Three different light colours can be set directly via the DIP SWITCH on the luminaire to conjure up the right lighting ambience. The modern design in anthracite with clear lines gives the light a contemporary look. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

### Material construction

Diecast aluminium ·  
Anthracite

### Product dimensions

Width: 30cm  
Height: 10cm  
Weight: 0,7kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 7W  
Lumen: 1x 800lm  
Kelvin: 2300+3000+4000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF  
  
operating voltage: 230V ~ 50Hz  
Protection grade: 1  
IP classification: IP54
