Spot it! The classic spotlights in the ANGELO series can be used to skilfully set the scene in living spaces and provide targeted lighting. Thanks to the variably adjustable shades and IP44 splash protection, the wall light is extremely versatile. Whether in the laundry room with a spotlight on the washing machine or in the bathroom with the focus on the mirror - the spotlights in the ANGELO range provide ideal illumination for your living area everywhere. Thanks to the modern design in matt black, the luminaire can be perfectly integrated into many concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
