

Wall lamp

LINO – 284116032

incl. 1x SMD LED, 11W · 1x 1350lm, 3000K

- **Wallmounting**
- **IP44**

Simple design that you can help to shape - that's what makes the LINO bathroom light so impressive! By choosing between three bases, you can help shape the look of the LINO and add your own personal touch. The light has an IP44 protection rating, so it can be used in the bathroom without any concerns. Ideally, the wall light should be installed above the bathroom mirror to ensure optimum lighting conditions. The slim light is finished in matt black and blends easily into a variety of bathroom interiors. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.
