

Recessed lighting

ZAGROS – 650710107

incl. 1x SMD, 5,5W · 1x 345lm, 3000K

- Externally dimmable
- Ceiling mounting
- IP65

The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed luminaires, stylish accents can be set and an atmospheric ambience created. ZAGROS recessed luminaires provide directional, accentuated and pleasantly natural light. Thanks to IP65 protection, the lights are protected against water jets and are therefore particularly suitable for wet rooms and outdoor areas. The recessed luminaires have a classic reflector look and are externally dimmable so that the brightness can be individually adjusted. The round ZAGROS recessed spotlight has a diameter of 85mm and requires a ceiling cut-out of 72mm and an installation depth of at least 68mm. No additional transformer is required for the installation and linking of several recessed lights. In matt nickel, the ZAGROS recessed lights perfectly round off a modern and sleek appearance. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Nickel mat

Product dimensions

Height: 5cm
Diameter: 8cm
mounting depth: 6,8cm
ceiling cut-out: 7,2cm
Weight: 0,1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 5,5W
Lumen: 1x 345lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 20000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP65

Dealer information

EAN Code: 4017807376944

Customs number: 94051190900

Packaging dimensions & weight

Quantities: 1

Width: 11cm

Height: 11,5cm

Depth: 9cm

Weight: 0,2kg
