Create optimum lighting conditions with ideal bathroom lighting in a timeless design using the classic MATTIMO wall light. The simple design language places the focus on the light. A special feature of the MATTIMO is its IP44 protection rating, making the luminaire ideal for use in bathrooms or other damp rooms. The simple colour concept in matt black makes it easy to integrate the light into any type of interior. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.
