The STEEN table lamp combines stylish modernity with a unique design. Its mushroom-shaped silhouette makes it a real eye-catcher in any room. Thanks to the practical cord switch, the light can be switched on and off effortlessly. STEEN is ideal as a light source on a chest of drawers or as a decorative highlight on a sideboard. Create an atmospheric ambience with this modern table lamp. The black matt illuminated base harmonises perfectly with the taupe-coloured glass shade and lends the light a subtle elegance. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
