- USB-forbindelse

Love is in the air! The AMOR LED table lamp not only exudes romance, but also inspires as an outstanding decorative element with a real feel-good character. Its unique lettering makes it an eye-catcher in any room. Equipped with a practical on/off switch, the light can be conveniently operated via a USB connection cable. It also offers the flexible option of battery operation, making it easy to place anywhere in the home and creating a romantic atmosphere. Let the AMOR light illuminate your home and conjure up love in the air! The attractive design made of white and red plastic gives the light a modern yet warm look that bathes your home in a cosy ambience. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
