The HEART LED table lamp is a real decorative highlight. The heart shape of the lamp not only creates a romantic atmosphere in the bedroom, but is also a real eye-catcher as a room decoration in the living area. The 30 cm high and 20 cm wide lamp has an on/off switch and is operated via a USB connection cable. Thanks to the white plastic design, the light is optimally reflected and the luminaire blends easily into any interior style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
