The STAR LED table lamp is a real decorative highlight. Not only at Christmas time, but all year round, the light is a real eye-catcher as a decoration in the hallway, in the bedroom or on the sideboard. The 30 cm high and 19 cm wide light has an on/off switch and is operated via a USB connection cable. Thanks to the white plastic design, the light is optimally reflected and the luminaire blends easily into any interior style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
