The COURSE pendant light can set stylish accents in your living and dining area. Cleverly designed and perfectly positioned, the light is a real eye-catcher in your living room. The COURSE consists of two rings that emit a pleasantly soft light. The integrated SWITCH dimmer allows you to choose between three different brightness levels using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the luminaire can be used to create different lighting moods. The matt nickel finish gives the luminaire a modern design that can be found in numerous furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
