Cosy dining area lighting and a visual highlight. The TRIO SMASH pendant light skilfully sets the scene in your living and dining area without compromising on functionality. The light can be dimmed to three brightness levels using two touch points on the top and the light colour can be gradually adjusted between 3000 and 6500 Kelvin. The SMASH can be used to create a cosy atmosphere or bright dining area lighting, creating a pleasant ambience that invites you to linger or relax. The pendant light measures 100x12cm and can be adjusted in height from 95 to 150cm depending on the intended use. The simple choice of colours and materials in matt nickel allows the pendant to be integrated into a variety of furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
