With a combination of wood and plastic, MONTE is the perfect ceiling light for today's living space. The clearly arranged shade elements skilfully direct the light in all directions. A built-in SWITCH dimmer also offers three brightness levels that can be controlled using conventional light switches. Due to the wood-coloured optics, the lamp provides a warm atmosphere to feel good. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
