Light objects in geometric shapes, a statement on the wall or ceiling! The swivelling modules of the CIRCLE leave no design wish unfulfilled and offer creative arrangement options. A remote control can be used not only to adjust the brightness as required, but also to control the colour temperature from cool white to warm white. The perfectly designed appearance in matt black and wood look blends in with many furnishing styles thanks to its simplicity. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
