Minimalist and harmonious. The modern design of the ZETA ceiling light can be wonderfully integrated into a modern interior. The simple design emphasises the light and also creates the perfect lighting mood. The light brightness and light colour can be continuously adjusted according to your wishes using the remote control supplied. The golden finish on the inside of the otherwise black ceiling light provides a slight shimmer and a pleasantly soft light. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
