The SCOTT ceiling light casts a spell over everyone! The interplay between the basic geometric shape and the large illuminated surface radiates calm and invites you to dream away into distant worlds. The indirect lighting on the edge of the body gently distributes the light to the ceiling of your bedroom or living area and creates a pleasant lighting experience. You can control the light colour and brightness from a distance using the remote control supplied. The ideal addition for a relaxing evening under a cosy blanket! The black matt design of the luminaire is purist and blends seamlessly into existing interiors. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
