The round ACHAT ceiling light impresses with its simple design, which adapts wonderfully to different areas of application. Thanks to a wide range of additional functions and an eye-catching starlight cover, the luminaire is an eye-catcher in your living space and provides pleasant illumination. The brightness can be dimmed and the light colour infinitely adjusted using the included remote control, so that different lighting moods can be created. The ACHAT also has a night light, which can also be controlled via the remote control as required. The light is designed in a simple white and can be stylishly integrated into existing living and colour concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
