The MAGNOLIA ceiling light promises lighting design in perfect form. The round LED lamp is a true quick-change artist and fulfils your every lighting wish. With its modern design, the light will quickly become the new eye-catcher in your living room. The white ceiling lamp has a diameter of 39 cm. The round shape completes the harmonious appearance of the ceiling lamp. The ceiling light has a built-in switch dimmer. With this dimmer, the LED ceiling light can be dimmed to three different brightness levels using the wireless remote control supplied, increasing the feel-good factor in your rooms. The possible uses of this ceiling light are extremely flexible. The cover of the light looks like a small starry sky, giving your living space that certain something. The light also has a night light function. The pleasant chrome/white colour scheme underlines the elegant design of the light, which is ideal for classic furnishing styles or creates an exciting break in style in modern living concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
