Create an eye-catcher that lends your living spaces an atmospheric ambience and provides extraordinary lighting accents. The PEGASUS ceiling light impresses with a mix of crystal optics and a trendy starlight cover. The luminaire has a diameter of 60 cm, making it suitable for almost any living room or bedroom. The luminaire also has a SWITCH dimmer, which enables gradual dimming (100%, 50% or 25% brightness) using the existing wall switch. The clear crystal rim and the white Starlight cover create a simple colour scheme that can be perfectly combined. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
