This discreet POLLUX ceiling light impresses with its adaptable design and high performance. Thanks to its neutral shape and pleasantly bright colour scheme, the luminaire can be perfectly integrated into almost any room without standing out visually. The focus is on the harmonious LED light, which is scattered evenly in all directions. Thanks to the integrated motion and twilight sensor, you are guaranteed not to be left in the dark. Another advantage is its IP44 protection rating. Thanks to the timeless white design, the light can be seamlessly integrated into all interior styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
