Simple design and a wide range of colours. The BILBO ceiling light has indirect RGBW lighting in addition to a main light source. Both light sources can be controlled separately using the included remote control. The BILBO has a white cover and a transparent outer ring so that the RGBW colours are shown to their best advantage. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
