Bring colour into your home! The REALTA ceiling light impresses with its integrated RGBW colour changer, which generates all imaginable colour tones and creates an atmospheric setting. The Dynamic Light function creates a fascinating atmosphere with pre-programmed, dynamic lighting scenarios that add fascinating lighting effects to the multi-coloured or monochrome mood lighting. You can conveniently control the light colour and brightness from a distance using the included remote control. The glittering star effect of the starlight cover fascinates young and old alike and gives the REALTA a special touch to your home. Thanks to the simple and modern look in white and brushed aluminium, the ceiling light can easily find a place in any living space. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
