Your Light Rhythm - smart lighting control. Increase your well-being and create atmosphere thanks to the FARA series. With the smart lighting system from Reality and WiZ, you can relax with calming light or turn night into day - simply by using the app. Available free of charge for IOS and Android, the app can be operated via tablet or smartphone without an additional gateway. Different rooms and locations can be defined, which can be controlled individually and from anywhere. The luminaire offers an incredible colour spectrum of 64,000 shades of white and 16 million colours as well as various dynamic or static light settings. The luminaire has a diameter of 60 cm. The plain white cover can be individually combined with different colour and furnishing concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
