With its fan function, the LINDBERG ceiling light offers a 2-in-1 solution! With the included remote control, you can conveniently adjust the light intensity and light colour to your needs from a distance. However, if you need more than just light, the fan blades of the LINDBERG can be folded out at the touch of a button. The three speed levels of the fan ensure optimum and balanced room air in your living rooms and bedrooms in both summer and winter. The numerous functions of the light are perfectly rounded off by the integrated timer, night light and memory function. The matt white and titanium colour scheme harmonises effortlessly with any interior style. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
