The TORO floor lamp impresses with an adjustable flexible neck that ensures excellent light guidance next to a desk or reading chair. The adjustment of the light colour is just as impressive as the practical 4-step touch function. This allows the brightness to be reduced or increased in three stages, offering versatile adjustment of the light according to personal preferences and needs. The discreet white colour scheme draws attention to the light's capabilities. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
