The GOMEZ floor lamp combines minimalist design with modern functionality. This elegant rechargeable lamp has an adjustable spotlight that allows the light to be targeted - ideal for lighting next to a reading chair or desk. With a light duration of over 5 hours and a charging station included, the GOMEZ is both practical and flexible to use in any room. You can adjust the light colour and brightness to your liking to create the perfect atmosphere. Designed in elegant matt nickel, the GOMEZ floor lamp blends harmoniously into any modern living environment and offers a stylish and functional lighting solution at the same time. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
