The MORENO rechargeable lamp embodies a harmonious synthesis of modern design and outstanding functionality. Designed as a floor lamp, it offers maximum flexibility thanks to its powerful battery operation and an included charging station. The flexible arm of the luminaire allows the light to be effortlessly directed in any desired direction, whether for reading, working or simply accentuating a specific area in the room. In addition, both the light colour and brightness can be individually adjusted. This practical function makes the MORENO a versatile everyday companion. The choice of colours in matt nickel gives the luminaire a modern yet understated aesthetic that integrates seamlessly into a variety of furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
