The table lamp with 3D effect is not so much for targeted lighting as it is a real decorative secret weapon. The BALL table lamp in football design should be placed prominently in the interior, as it is a highlight when switched on and off. The light colour can also be adjusted using the conventional cord switch. The colour can be adjusted in stages from 3000, 4000 or 5000 Kelvin using short on/off processes. The clear acrylic lamp head is mounted on a chrome-coloured base and measures approx. 22x22 cm. The integrated LED light source emits a powerful 400 lumens or 7 watts.
