The PARMA ceiling light creates a cosy ambience in your home and creates a pleasant atmosphere with its indirect lighting. The decorative shape of the luminaire provides an attractive light pattern on the ceiling above and supports the illumination of your rooms. The luminaire also has a SWITCH dimmer, allowing the luminaire to be dimmed in stages (100%, 50% and 25%) using the conventional light switch. The chrome colour scheme is absolutely timeless and can be wonderfully complemented in numerous furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
