The unusual light from the ISABEL series impresses with its curved design, which conjures up a special lighting experience in your living space. The light can be conveniently switched on and off using a cord switch. The table lamp not only provides bright room illumination on the chest of drawers, but also becomes an interesting decorative element in your interior. The modern mix of chrome-coloured metal and transparent acrylic creates exciting contrasts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
