The unusual wall light from the ISABEL series impresses with its curved design, which conjures up a special lighting experience in your living space. The wall and ceiling light not only provides bright room illumination for your living room or bedroom, but also becomes an interesting decorative element in your interior. The modern mix of chrome-coloured metal and transparent acrylic creates exciting contrasts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
