Thanks to its unusual shape, the bold BOLOGNA pendant light has a decorative effect on its surroundings and sets stylish accents in your living and dining area. With its modern design and perfect positioning, the light is an eye-catcher in your home. In addition, the brightness can be adjusted in 3 stages using the conventional light switch and adapted to different requirements. In chrome and white, the light perfectly rounds off modern living concepts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
