With the MILOS pendant light, your living and dining area is not only cosily illuminated, but also visually accentuated. The MILOS creates a skilful highlight and creates a pleasant atmosphere at the dining area. The height of the light can be individually adjusted to your requirements by simply pushing it up or pulling it down. This guarantees maximum convenience and optimum lighting results. Thanks to the matt nickel colour scheme and the transparent glass element, the pendant light blends in perfectly with existing colour schemes. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
