The TOMMY floor lamp provides cosy lighting, as textile shades increase the comfort factor and conjure up a cosy ambience. At the same time, the clear shapes conjure up a modern and simple style that can be used and combined in a variety of ways. The five-bulb luminaire has a height of 200 cm and makes dark corners shine in new splendour. It is ideal as a supporting light source and can be used in modern living spaces. The swivelling heads can also be aligned to deliberately highlight individual areas. The luminaire is made of metal in matt nickel and is complemented by five white fabric shades. The combination creates modern and stylish lighting accents and gives living rooms a pleasant feel-good effect. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
