The TOMMY luminaire series stands for a homely light, as textile shades increase the comfort factor and conjure up a cosy ambience. At the same time, the clear shapes create a modern and simple style that can be used and combined in many different ways. In black matt / gold, the floor lamp rounds off modern furnishing styles optimally. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
